ABOUT US

"Empowering **Agriculture**, Enriching **Lives**"

Our journey began over 40 years ago when our father, Mr. Ratilal Patel, founded our family's first company in the spice trade. Building on this rich legacy, we, two brothers Mr. Jatin Patel and Mr. Harsh Patel have launched our new venture, bringing with us over 15 years of hands-on expertise in exporting premium Spices, Herbs and Leaves, Oil Seeds, Psyllium Husk, Grains, & Millets.

While our brand is new, our commitment remains unchanged: prioritizing quality over quantity, ensuring ethical sourcing, & maintaining timely delivery so every product we ship reflects the trust & tradition we proudly uphold. Tatsat Agro is more than Just an agro based company; it is a community driven by passion for nature, farming, and sustainability.

INFRASTRUCTURE

At Tatsat Agro, our infrastructure blends modern technology with sustainable practices to ensure the highest quality standards. Our state-of-the-art facility is equipped with advanced machinery for Cleaning, Grading, Processing, & Packaging, Supported by climate-controlled storage that preserves freshness & nutrition

With strict hygiene protocols, eco-friendly operations, & rigorous quality checks at every stage, we deliver products that are pure, safe, & full of natural flavor. We continuously innovate to enhance efficiency and sustainability in our processes. Our commitment is to provide farm-fresh goodness that meets global quality benchmarks.

CULTIVATING A
GREENER FUTURE

Tatsat Agro is a forward-thinking agricultural enterprise dedicated to promoting sustainable farming practices, high-quality produce, and farmer empowerment. With a strong focus on innovation and eco-friendly solutions, the company works to bridge the gap between traditional wisdom and modern agricultural technology.

By ensuring transparency, ethical sourcing, and customer trust, Tatsat Agro strives to deliver products that are not only nutritious and safe but also contribute to the well-being of farmers and the environment.
